

Wife's Name: **ANNA ZADYORA**

Issue:	Baptized	Where:
1. MÁRIA ZADYORA	16 March 1819	Spisská Stará Ves, Hungary
2. KATARINA ZADYORA	1821	Spisská Stará Ves, Hungary
3. JAKUB ZADYORA	25 April 1830	Spisská Stará Ves, Hungary

Not much is known about this family group. Written under the heading *Natus Parenti* (Birth Parents) in the Baptismal Register for MÁRIA's baptism is *O.' Parenz* and *ANNA ZADYORA*. The meaning of the first part has not been found yet. Likewise, the baptismal entry for JAKUB has only ANNA ZADYORA listed under parents. Obviously, from this information alone, we can not be certain that MÁRIA and JAKUB are siblings. ANNA ZADYORA appears as godmother, with JÁN FABIAN as godfather, for the baptism of ALBERT LOVINSKI, son of *LADHA. LOVINSKI*, another single-parent entry.

In the 1828 census in Spisská Stará Ves, Hungary, there appear three persons with this name: JOSEF ZADYORA at #1, ALBERT ZADYORA at #19 and MARTIN ZADYORA at #42. The connections between these and ANNA are not known at this time but MÁRIA ZADYORA did live at #19 after she married JOSEF HASZAY in 1843.

Issue:

1. **MÁRIA ZADYORA**: baptized on 16 March 1819 by JOZEF MICHELY, sponsors were FRANTIŠEK and ZOFIA (BERNARD) MANDUS. She was married to **JOSEF HASZAY** of Ő Majer, son of ŠIMON HASZAY and MÁRIA VOJTAS, on 9 February 1843 by PAVOL BASZISZTA. MARIA's name in the Parish Marriage Register is preceded by the Latin *defl*, short for *deflorata*, literally deflowered, meaning she was not a virgin when she married. How did FATHER BASZISZTA happen to know this seemingly intimate fact? She probably had a child out of wedlock. Unfortunately a review of the Baptismal Registers has not turned up such a child. Their story is continued in a separate file.
2. KATARINA ZADYORA: married JÁN HASZAY (baptized 25 April 1819), older brother of JOSEF, on 9 February 1843. They were living at #11 in Ő Majer in 1862 but they are not found in Ő Majer or Stará Ves in the 1869 census. A transcription of an index of Spisská Stará Ves church records lists a JÓZSEF HASZAY born to KATALINA ZAGYORA and IVÁN HASZAY being baptized on 13 August 1844. It is possible the *IVÁN* was actually *JÁN* and *KATALINA* was *KATARINA* in the original record. Having offspring within two years of marrying was common while having your first child 2 decades after marrying was not.
 - a. JÁN HASZAY: born 11 January 1862 to JÁN HASZAY and KATARINA ZADYORA of Ő Majer. He was baptized on 13 January 1862 by PAVOL BASZISZTA; Godparents were JÁN GRUTKA and KATARINA DERMA. He died on 4 April 1867.
3. JAKUB ZADYORA: godparents were MICHAL FABIAN and BORBALA GORILOVIC.
